

Stay Healthy

Your safety is our #1 concern. Please use the following precautions to combat the Coronavirus and stay in good health

- **Don't shake** soiled laundry
- Always use the **hottest setting** allowed for the laundry you are washing and drying (*check clothing care instructions*)
- **Dry items completely**
- Use of bleach as a disinfectant is an option, and not all fabrics are suitable for bleach. **Read and follow clothing label instructions.**
- Wash/disinfect **laundry bags and baskets** often
- **Wash/sanitize your hands** when arriving and leaving the laundry room
